

RBA13

METAL FABRICATION KIT – METRIC

PRODUCT DESCRIPTION

A selection of 46 BAHCO and other industry tools, fitted into a steel tool case. The case has 3 draws, 1 lid tray, and a selection of lid clips. The top is covered with corrugated sheet metal to enable the case to be used as a step stool. The tools are embedded into two-colour, Skydrol resistant foam, offering a heightened level of tool control.
